

Limitation of liability

3Clicks Sp. z o.o. and the advisers and consultants contracted by it make every effort to ensure the greatest possible accuracy and timeliness of the information contained in the application EYEbox.

At the same time, 3Clicks Sp. z o.o. informs that the contents presented in the application are only guidelines and suggestions that may be helpful in providing health services. The final decision about medical treatment is made by the physician based on current medical knowledge, ethics and the specific clinical situation and the physician shall be liable for this decision. 3Clicks Sp. z o.o. reminds that, in special clinical situations, the guidelines contained in the application EYEbox may not be the optimal medical treatment.

3Clicks Sp. z o.o. further declares that the application EYEbox is not a medical device within the meaning of the Act of 20 May 2010 on medical devices.

3Clicks Sp. o.o. shall not be liable for any damages, which directly or indirectly arise from the use of the application EYEbox.
